7. Listed below are some statements about high and low performing math students. What level of confidence would be relevant to each statement?

I have no confidence
 I have not much confidence
 I have neither confidence or lack of confidence
 I am fairly confident
 I am highly confident

My level of confidence about my ability to address the needs of my low-performing students is:	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
My level of confidence about my ability to address the needs of my high-performing students is :	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

8. Listed below are some statements about the maths assessment you use. What level of frequency would be relevant to each statement?

	Hardly at all	Fairly infrequently	At a neither an adequate or inadequate level	Fairly frequently	All the time
I use maths assessment to guide my teaching :	jn	jn	jn	jn	jn
I use student group work/pairs in my maths lessons:	jn	jn	jn	jn	jn

9. What aspects of your mathematics teaching would you most like to improve?

10. What has helped you gain confidence in your Mathematics teaching? (THANK YOU FOR COMPLETING THIS SURVEY)
